

BLAKE MARLEAU SNYDER, MD

Phone: 916 734-6602 – Eye Center
(970) 948 8004 – Personal Cell
BlakeSnyderMD@gmail.com

UC Davis Eye Center
4860 Y St Suite 2400
Sacramento, CA 95817

EDUCATION

**Uveitis Fellowship | The Francis I. Proctor Foundation
at the University of California, San Francisco**
San Francisco, CA

Beginning July 2024

Ophthalmology Residency | University of California, Davis
Sacramento, CA

Current

◇ Chief Resident

Internship | Sky Ridge Medical Center – HealthONE
Lone Tree, CO

June 2021

- ◇ Elected GME Committee Representative for Transitional Year Program
- ◇ Elected Residency Committee Voting Member

MD | University of Colorado School of Medicine
Aurora, CO

May 2020

- ◇ Alpha Omega Alpha (AOA) Selection Member (only six selected in class)
- ◇ Selected for Academic Excellence
- ◇ Selected in the Top Quartile of Class
- ◇ USMLE Step 1 score: 251

BA | University of Colorado
Boulder, CO

December 2012

- ◇ Graduation *summa cum laude*, with highest honors
- ◇ Graduation With Distinction
- ◇ Graduation *Phi Beta Kappa*
- ◇ Major: Biochemistry; minor: Chemistry (Overall GPA: 3.8/Major GPA: 3.9)

HONORS AND AWARDS

Post-Graduate Awards:

- Sacramento Rainbow Chamber of Commerce Inaugural Awardee of the Resident & Fellows Debt Relief Award: 10/2023
- UC Davis School of Medicine Global Health Travel Award: 06/2023
- California Academy of Eye Physicians and Surgeons (CAEPS) American Academy of Ophthalmology Young Ophthalmologist Mid-Year Forum Fellow: 05/2023
- Association for Research in Vision and Ophthalmology - Top Poster Award: 05/2022

- Dr. Jim Ruben - Ophthalmology Advocacy Award: 04/2022
- Association for Research in Vision and Ophthalmology - NEI Grant: 03/2022
- Hagen Schroeter Incentive Research Fund Award: 12/2021

Graduation Awards:

- Elected as the sole student to receive the Department of Ophthalmology Award within my graduating class: 05/2020
- Elected as one of six students in my class - AOA Junior Leader, Alpha Omega Alpha Honor Medical Society: 05/2020
- Selected for Academic Excellence by the School of Medicine Promotions Committee: 05/2020
- Graduation *summa cum laude*, Phi Beta Kappa & With Distinction in Biochemistry and Chemistry: 12/2012

Scholarships, Nominations, Grants & Fellowship Awards:

- Four-time recipient of Presidential Scholarship for the School of Medicine: 2014 - 2020
- Recipient of Francis I. Proctor Ophthalmology Fellowship: 2018 - 2019
- First prize for contribution to Oral Presentation at Annual C. S. O'Brien Professorship at Tulane Ophthalmology: 2019
- Top Presentation in Global Health at the University of Colorado School of Medicine Capstone Session: 2019
- Four-time recipient of the Wilson Family Scholarship for the School of Medicine: 2014 - 2020
- Top Poster Award in Subject Area at American Academy of Ophthalmology Annual Meeting: 2018
- Recipient of Doris Duke Charitable Fund International Clinical Research Fellowship: 2017 - 2018
- Two-time recipient of ALTA California Eye Research Foundation Award: 2017 - 2018
- Recipient of Achievement Reward for College Scientists (ARCS): 2018
- Recipient of Calvin L Wilson Award for Future Leaders in Global Health: 2018
- Recipient of Center for Innovative Design and Analysis - Mentored Scholarly Activity Small Grant: 2018
- Nominated as Honors Council Representative for the University of Colorado School of Medicine: 2018
- Three-time recipient of University Physicians Inc. - Diversity Scholarship: 2015 - 2018
- Three-time recipient of University Physicians Inc. - Merit Scholarship: 2015 - 2018
- Recipient of Dept. of Surgery John E. DeLauro Scholarship for Excellence: 2016 - 2017
- Recipient of Richard W. Whitehead Merit & Diversity Scholarship: 2016 - 2017
- Recipient of the Department of Medicine Research & Equity in Academic Medicine (DREAM) Program Scholarship: 2015
- Recipient of Center for Global Health - Robinson Durst Scholarship: 2015
- Recipient of Wilson-Burrows Peer Teaching Award Nomination: 2014 - 2015
- Recipient of National Institutes of Health – NIH Intramural Research Training Award: 2013 - 2014
- Undergraduate: Teaching Assistantship, 2011 - 2012; Ball Aerospace Grant, 2012; Undergraduate Research Opportunity Program, 2011 - 2012; David W. Teets Scholarship, 2010 - 2012; Thrift Store Scholarship, 2008 - 2010; Elks Lodge Scholarship: 2008 - 2009

RESEARCH EXPERIENCE

Principal Investigator

July 2021 to Current

University of California Davis

- ◆ Our investigation provides a novel application of Optical Coherence Tomography Angiography (OCTA) in Compressive Optic Neuropathy. This has the potential to guide future clinical trials for medications that treat etiologies with orbital compression, such as Thyroid Eye Disease. Results Presented during oral presentation at The American Society of Ophthalmic Plastic and Reconstructive Surgery Annual Fall Scientific Symposium.

Clinical Investigator

September 2021 to Current

University of California Davis

- ◆ Our investigation looks further into the use of teleophthalmology in screening for diabetic retinopathy. Our original investigation, presented at ARVO, looked at a screening program initiated during the COVID-19 Pandemic, and future studies are ongoing.

Research Investigator

September 2021 to Current

Independent

- ◆ In collaboration with Dr. Puente, we were able to shed light on the federal regulations prohibiting corneal donation by men who have sex with men. This manuscript since has gained traction with subsequent commentaries from the: AAO, Ophthalmology Times, and JAMA Ophthalmology. This led to a vote by Congress. In May 2023, the FDA announced its intention to change this outdated regulation by the end of the 2023 calendar year.

Ophthalmology Fellow & International Clinical Research Fellow

July 2017 to July 2020

University of California San Francisco

Francis I. Proctor Foundation

Doris Duke Charitable Foundation

- ◆ Completed two separate year-long grant-funded research fellowships in clinical ophthalmology. This research has been published in the *British Journal of Ophthalmology*, *International Health*, *PLOS ONE*, and in other journals; and received a Top Poster Award at the American Academy of Ophthalmology Annual Meeting.

International Volunteer & Principal Investigator

June 2018 to August 2019

Global Health Research Elective

University of Colorado Ophthalmology Department

- ◆ Implemented an assessment of avoidable blindness at the Trifinio Center for Human Development in Guatemala. This ongoing collaboration aims to create a longstanding relationship with the Department of Ophthalmology and local residency programs to provide sustainable vision services to the region. This research received a Top Presenter Award at our School of Medicine Annual Capstone Session.

Clinical Researcher

June 2017 to July 2018

Francis I. Proctor Foundation

Centre de Recherche en Sante de Nouna, Burkina Faso

- ◆ Our studies assessed the utility of smartphone photography for trachoma surveillance and evaluated the effects of antibiotics in settings with high child mortality. These pilot studies

have been published in the *American Society for Tropical Medicine & Hygiene (ASTMH) Journal*, and *International Health*; and have been presented at the ASTMH Annual Meeting, leading to a larger Bill & Melinda Gates Foundation-funded investigation.

Principal Investigator

June 2015 to September 2015

University of Colorado School of Medicine

- ◆ Implemented a retrospective chart review at Christian Medical College in Vellore, India to assess potential risk factors for acquiring carbapenemase-resistant organisms, specifically NDM-1; the research has since been presented at three different conferences globally, including the 17th annual International Conference for Infectious Disease; research published in *Epidemiology & Infection*.

Intramural Research Training Award Fellow

April 2013 to April 2014

National Institute of Neurological Disorders & Stroke

- ◆ Administered and analyzed clinical and experimental outcome measures, including retinal nerve fiber layer thickness, to track disease progression in multiple sclerosis patients longitudinally; results were presented at the American Academy of Neurology 67th Annual Meeting, and published in *Frontiers in Neurology*.

Research Volunteer

May 2013 to December 2013

National Institute of Diabetes and Digestive and Kidney Disorders

- ◆ Contributed to the production of an energy metabolism study that was featured in the *New York Times*.

Undergraduate Research Assistant

June 2011 to December 2012

University of Colorado

Sousa Lab Group

- ◆ Characterized ArnD, an essential enzyme for Polymyxin resistance, the leading cause of death in cystic fibrosis patients; wrote and defended honors thesis, receiving unanimous *summa cum laude* designation.

TEACHING EXPERIENCE

Med School Tutors & Blueprint Tutoring New York City, NY May 2018 to Current

Senior Level Tutor

- ◆ Tutored >1,000 logged hrs while balancing medical school/research fellowship/residency
- ◆ Tutoring students for USMLE Step 1, 2, 3 from top US medical schools as well as IMGs
- ◆ Gave larger high-yield lectures to 100+ students per session

University of Colorado, Boulder, CO

May 2011 to Dec 2012

Teaching Assistant, Department of Biology

- ◆ Taught General Biology I & II
- ◆ Developed lesson plans, lectured review sessions, tutored

PROFESSIONAL AFFILIATIONS

Rotating US Ophthalmology Resident

2023 to Current

San Filipe Hospital in Tegucigalpa, Honduras

- ◆ As the first-ever US resident to rotate unofficially with, “Brigadas de ojos,” at the only ophthalmology residency in Honduras; I helped teach lower-level residents the basics of phacoemulsification, while learning the basics of manual small incision cataract surgery. Currently constructing an *Eye Manual for Local Community Health Workers* with ACE Global. This handbook will be taught locally and if successful, distributed globally as an open-resource eye manual for similar groups worldwide.

Peer Reviewer

2021 to Current

Springer Nature - International Ophthalmology

- ◆ Current Reviewer for the peer-review journal.

Resident Medical Staff Committee Elected Representative

2021 to Current

UC Davis Health

- ◆ As an elected representative, we set forth human resources policies, programs, and practices that recognize the role of residents at our institution.

Global Health Track President

2014 to 2020

University of Colorado School of Medicine

- ◆ As the president of the Global Health Track, I supplement my medical school curriculum with applicable coursework and a mentored scholarly activity that allowed me to make a positive impact on a global scale.

National Board Member

2014 to 2020

Defeat Melanoma

- ◆ As the only medical student on the national board, we take a prevention-focused approach to public education strategies. I helped bring free sunscreen dispensers to local trailheads and the medical campus.

National Representative and Medical Student Member

2014 to 2017

Surgical Society at the University of Colorado School of Medicine

- ◆ Participated in local events and represented the group at the American College of Surgeons Conference.

NIH Academy Fellow

2013 to 2014

National Institutes of Health

NIH Academy for Global Health Disparities

- ◆ Learned about current gaps in health outcomes through an interactive curriculum focused on health disparities, which was further supplemented by volunteering and a community outreach project.

Program Fellow

2013 to 2014

National Institutes of Health

Principles & Practice of Clinical Research Course

- ◆ As a participant in this course, I learned the basics of clinical research, including epidemiologic methods, principles involved in the ethics of clinical research, the role of IRBs, and strategies used to develop and fund research studies – skills that have been invaluable in my research since this time.

SURGICAL AND CLINICAL EXPERIENCE & CERTIFICATES

◆ General Experience

- ◇ 10+ Years of experience working in University, Community, VA, and Private Hospital settings
- ◇ Familiar with Epic, Cerner, Athenahealth, eClinicalWorks, Meditech, and VA Medical Center EMR systems

◆ Comprehensive Ophthalmology

- ◇ 150 + Primary Cataract Surgeries
- ◇ 1,000 + Attended Cataract Surgeries
- ◇ Certified with Malyugin Ring (no cert req), I-Ring X1-Ring, and X2-Ring mechanical pupillary dilators
- ◇ 3 years of Level-1 Trauma Center Experience with 10+ Primary Open globe explorations with repair
- ◇ Trained in Manual Small Incision Cataract Surgery
- ◇ Comfortable and familiar with laser procedures (see below)

◆ Glaucoma

- ◇ Certified with iStent MIGS
- ◇ Certified with Hydrus MIGS
- ◇ Comfortable with tube implants/revisions (Ahmed Valve and Baerveldt)
- ◇ Comfortable and familiar with CPC, LPI, and SLT Laser procedures

◆ Retina

- ◇ 500+ Anti-VEGF intravitreal injections
- ◇ Comfortable and familiar with laser retinopexy, and PRP laser procedures

◆ Oculoplastic & Reconstructive Surgery

- ◇ 100+ Primary upper lid blepharoplasty procedures
- ◇ 3 years of Level-1 Trauma Center Experience with countless marginal lid laceration repairs, full-thickness non-marginal lid laceration repairs
- ◇ Countless eyelid lesion removals with repair as needed

◆ Pediatric Ophthalmology

- ◇ 50+ Primary strabismus surgeries, comfortable with horizontal deviations
- ◇ Comfortable and happy to work with pediatric patients or have peds day

COMMUNITY SERVICE

International Volunteer Current

LIGA International

- ◆ As a visiting resident volunteer, I helped examine patients, design clinical workflow, and perform basic pre-operative procedures in a small rural clinic in El Fuerte in the State of Sinaloa, México.

Ophthalmology Refugee Clinic Volunteer Current

Shifa Community Clinic

- ◆ As a staffing resident, I help train current medical students in basic ophthalmology skills while helping to serve the diverse, medically uninsured population of the Greater Sacramento Area at this non-profit, student-run, medical facility

Volunteer Chair, Executive Board Member & Member 2014 to 2020

Colorado Medical Society (CMS) - Student Association

American Medical Association (AMA) - Student Association University of Colorado School of Medicine

- ◆ Developed, organized, and participated in volunteer events to keep CMS integrated within the community and to pique interest in the next generation of physicians. I also worked within the state and nationally to make positive change in health policies and legislation, including coauthoring a resolution approved by the AMA.

International Volunteer 2001 to Current

Mercy & Sharing

- ◆ I first visited Haiti with Mercy & Sharing when I was only five years old; initially, I was simply there to make friends with Haitian children, and since then, my immersion has evolved into a medically professional relationship that I intend to maintain throughout my life as a future physician.

Mentor 2017

Pre-Health Undergraduate Program (PUP UCSF) Design Clinical Research Course at UCSF

- ◆ Developed a successful grant proposal while providing guidance to a student interested in pursuing medicine.

Mentor 2014 to 2016

Breakthrough – Kent Denver

- ◆ Enjoyed leisure activities and helped with my buddy's successful application to college, the first in his family.

Volunteer & Funding Coordinator 2013 to 2014

Dr. Shroff's Charity Eye Hospital (SCEH) in New Delhi

- ◆ Using my group connections with the American Medical Student Association, the NIH Academy, and the NIH Post-Baccalaureate committee, I was able to develop and coordinate a volunteer-a-thon, as well two crowdsource-funding pages to raise money for local non-profit organizations as well as for SCEH.

Playtime Project Volunteer

2013 to 2014

Homeless Children's Playtime Project

- ◆ Provided one-on-one attention to children during play and recreation activities, which helped nurture healthy childhood development; as Smokey the Bear, for their Halloween party, or Santa Claus, for their Christmas party, I gave children living in temporary housing programs the opportunity to simply be a kid.

Elementary Teaching Volunteer

2013 to 2014

ReSET

- ◆ Sparked enthusiasm toward science within Ross Elementary School students, as a volunteer teacher and scientist, by performing hands-on experiments in the classroom after school.

Mentor

2013 to 2014

Student Career Exploration Experience Program

- ◆ Provided guidance to local public high school students to get involved in research early, giving me a chance to help those who reminded me of myself just a few years previously.

Patient Care and Grief Support Volunteer

2012 to 2013

HospiceCare

- ◆ Worked as Companion Volunteer and Care Center Volunteer – talking with patients, assisting them, and eventually speaking with the bereaved family.

Clinical Volunteer

2012 to 2013

St. Anthony North Family Medicine

- ◆ Garnered hands-on experience reviewing patient medical histories in-person, databasing electronic health records, and maintaining a chronic disease database.
